From: Dr. Clint Freeman, Deputy Superintendent

This morning the Herculaneum Police Department made the Dunklin R-5 School District Administration aware of a suspicious male that has been seen waving to groups of students after school off campus. The police notified district officials that the person is an unregistered sex offender. It is important to note that there have been no reports of this individual being seen on any of the Dunklin R-5 campuses. At this time the district is making sure all kids are safe on our campuses. We are urging all students and families to take precautions while away from home and traveling to and from school. All students are encouraged to travel in groups or with a friend as they go to bus stops or school.

If you see any suspicious activity, please contact the Herculaneum Police Department.

Our District will be working closely with the police to assure the safety of our students, which remains our top priority.
