FOR ADDITIONS AND RENOVATIONS

DUNKLIN R-V SCHOOL DISTRICT
497 JOACHIM AVENUE
HERCULANEUM, MISSOURI 63048

For construction:

ADDITIONS AND RENOVATIONS
PEVELY ELEMENTARY SCHOOL
30 MAIN STREET
PEVELY, MISSOURI 63070

The Dunklin R-V School District is requesting statements of qualifications for the services of a Special Inspection and Construction Materials Testing Firm for the Pevely Elementary School Additions and Renovations project.

PROJECT DESCRIPTION AND INTRODUCTION

The project is located at 30 Main St. on the Pevely Elementary campus in Pevely, Missouri. The project involves additions and renovations to existing facilities and site and generally include but are not limited to soil compaction, cast in place concrete, structural steel, bolted and welded connections, light gage metal framing, and concrete unit masonry.

The Construction Materials Testing and Special Inspection Firm shall provide qualified inspector(s) to perform on-site construction inspection (full-time as required) and materials testing. Special Inspection and Testing services shall be provided in accordance with the plans and specifications for the project (Plans and specifications are available for review at Custom Blueprint, 1632 South Broadway, St. Louis, MO 63104, (314) 231-4400. Examples of testing and inspection services desired include but are not limited to soil compaction, concrete, reinforcing steel, asphalt, structural steel, embedded anchors, welding, masonry, roofing, metal decking, and others as required.

TIMELINE FOR SUBMISSION

Qualifications shall be received by the District office no later than 2:00 pm Tuesday, June 25, 2019. Three (3) bound copies are to be submitted to the Central Office in a sealed envelope, clearly marked "RFQ Special Inspection and Testing Services for Additions and Renovations to Pevely Elementary" and addressed to:

Dr. Clint Freeman
Dunklin R-V School District
497 Joachim Avenue
Herculaneum, Missouri 63048

This RFQ does not commit the school district to award a contract or to pay any costs incurred in preparation of qualifications submittal. The school district reserves the right to accept or reject any and all qualifications received as a result of this request, to negotiate with all qualified offerors, or to cancel in part or in its entirety this proposal request, if in the best interest of the school district.

SUBMITTAL REQUIREMENTS

Please include the following with your submittal:

1. Letter of interest indicating understanding of the project and proposed approach.
2. General qualifications of the firm.
3. Three (3) references demonstrating firm and proposed inspectors experience with projects of similar size, scope, and duration.
4. List of prior work experience and scope of similar projects.
5. Statements of qualifications for proposed staff that will be assigned to the project.
6. Testing facilities to be used for each type of lab work.
7. Sample reports for the various materials that may be expected on the projects.
8. After reviewing the project plans and specifications, please describe your project approach/management plan, specifically how you will perform your tasks.
9. Outline of potential additional scope not outlined in this RFQ.

Questions regarding this RFQ shall be sent in writing at least five (5) calendar days prior to the submittal closing date to:
