

Dear Blackcat Community,

With the issues we are facing every day I wanted to update everyone on two specific items. At this time graduation is still scheduled for May 20 but as conditions change, this date may not be possible. The scheduled date of Prom on April 4 has been canceled. As we move forward we will continue to look at ways to have Graduation and Prom this school year. I know this is an uncertain time for everyone but I ask that you be patient and know as more information and decisions are made in regards to these two events everyone will be notified.

Thank you,
