Mission Statement:
“Educating Today for a Better Tomorrow”

VOLUME 20 ISSUE 68 SCHOOL YEAR 2015-2016 January 28, 2016

Dawn Warner

Letter From the Board President

Dear Dunklin R-5 Stakeholders:

On behalf of the Board of Education I would like to wish you a very Happy New Year! I would also like to take this time to thank all the staff, parents and community members who over the first half of the school year have participated in surveys and the Master Facility Plan community meetings. The information from these events was very helpful to the committee in putting together their final recommendations to the board. I would like to express a special thank you to the committee Co-Chairs Amanda Bartosch and Jim Vaughn for all their efforts in this endeavor.

At the start of the school year I spoke to all the Dunklin staff. I talked about a lot of things, however my one main directive was **“Be Part of the Solution.”** At that time I was primarily speaking in terms of changes and complaints. Also, if something wasn’t working the way it was intended or needed to be, I asked them to not complain about it, but to help us come up with solutions to make it better. To help us achieve our mission of “Educating today for a better tomorrow.”

Now, here we are half way through the year and we need **YOUR** help. We need you to **“Be Part of the Solution.”** Our growing district, along with some facilities that are in need of repairs and upgrades, were part of the driving force for the Master Facility Plan committee, which I mentioned earlier. The board, administration and facility committee have spent numerous hours reviewing the needs of the district’s facilities, the survey results, and the outcomes of the meetings that were held over the first semester of school. Based upon all that data and a lot of discussion, later this year, we will most likely propose a ballot measure. The details of this measure are still being finalized and will be completed in the coming months. Doing this is not something that the Board and Administration take lightly.

In fact, we made the decision to delay it in order to do more research and have a better sense of exactly what is needed. I assure you that once the details are finalized we will share all the specifics so you can make an informed decision. All we can ask is that you take some time to research the issue and if you have questions, please do not hesitate to ask. In everything we do as a board and every decision we make, the driving force behind that is this question: Are we doing what is best for the children of our district?

The children are the future of our community. We need to provide them the best learning facilities, curriculum, teachers and staff in order for them to succeed. But we cannot do this alone; it will take all of us as a community, coming together for this common goal!

In April, we have 3 board seats up for election. Two seats with three (3) year terms are up for re-election. In addition, Ron Rhodes resigned his board seat in November and thus a one (1) year term is also up for election on the April ballot to fill this vacancy. I would personally like to thank Ron Rhodes for his service. Ron served for over 15 years as a board member, many of those years he served as the board president. We appreciate his service and wish him the best in his future endeavors.

As always, I encourage everyone to get involved in our district. There are so many volunteer opportunities. You can help us achieve our mission of “Educating today for a better tomorrow”. Each of us working together can make this happen! Our board meetings are held on the third Tuesday of each month starting at 7pm. Meetings are located at the central office building and public is always welcome. We look forward to seeing you there.

Sincerely,
Dawn M. Warner
President, Dunklin R-5 School District Board of Education

Board Meetings Open to the Public

The Dunklin R-5 Board of Education meets on a regular basis on the third Tuesday of each month. The meetings are held in the Dunklin R-5 Central Office beginning at 7:00 p.m. The meetings are open to the public.

Patrons may view agendas and items from the meetings by going to our website www.dunklin.k12.mo.us, clicking on the District tab and clicking on “Paperless Board Meetings”.

Lots of Things Going on in the District

LETTER FROM THE SUPERINTENDENT OF SCHOOLS

As I write this in December first semester is almost over. December weather has been very good to us allowing us to save all of our snow days. As second semester starts and the possibility of inclement weather increases I would encourage parents to make sure their contact information is updated in order to receive the district alert calls. Anytime school is cancelled or released early a message will be sent using the alert system, in addition to being on local television and radio, our website and Dr. Golden's Twitter feed.

During the first semester the Long-Range Facilities Master Plan was completed. This process included six meetings held throughout the fall. The final report was presented to the Board of Education by co-chairs Amanda Bartosch and Jim Vaughn on December 2, 2015. The board will now use that information along with enrollment projections, phone survey results and district financial information to determine how to proceed with meeting the facility needs of the district.

District enrollment this year increased again from 1526 students K-12 to 1583 students, which is a 3.7% increase. Since the 2007-08 school year district enrollment for K-12 has increased 327 students or 20.7%. The majority of this increase has been in grades K-5. In 2007-08 the district had 553 students K-5 and this year there are 814 students. During this same time frame grades 6-8 has seen enrollment increase from 298 students to 353 students. High school enrollment has only increased by 11 students during this span going from 405 students to 416 students. District-wide enrollment is projected to continue to increase over the next five years.

The district has received its Annual Performance Report from the Missouri Department of Elementary and Secondary Education. This year the district score increased to 83.6% from 80% last year. One area the district continues to ask parents to help us improve is attendance. The state standard is for 90% of the students to have 90% or better attendance. Last year the district had 89.1% of students with 90% attendance. The district has a three-year average of 88.6% of students having 90% attendance. So while the district has shown improvement it is still not at the 90% level and therefore only earning 7.5 out of 10 points. The other areas that the district is working to show improvement are college and career readiness, student achievement, and subgroup achievement. The district score is used to determine accreditation by the state and the district is accredited.

As the second semester gets underway our district, in cooperation with the community, can meet our mission of "Educating today for a better tomorrow." Each day, as our mission is achieved, we are building toward meeting our district vision to be a nationally recognized school district that is highly regarded for the achievement and character of our students and the excellence of our people, programs and learning environment.

Stan Stratton
Superintendent

TAYLOR EARLY CHILDHOOD CENTER NEWS

The staff at Taylor Early Childhood wanted to do something with our students during the holiday season to give back to our community. During the month of December students and staff donated toiletries, can goods, stocking stuffers, and toys for the Jefferson County Rescue Mission. We were amazed at the generosity of our staff and families at Taylor Early Childhood.

Officer Lahue from the Herculaneum Police Department spent some time with the preschool students in December. The students enjoyed spending time with Officer Lahue and look forward to future visits!

Taylor Early Childhood will begin screening for Title One Preschool on April 6, 2016. If you have a child who will be entering kindergarten during the 2017-2018 school year and are interested in this opportunity, please contact Taylor Early Childhood at 636-479-5200 option 5. Title One Preschool is FREE, but transportation must be provided by a parent/guardian.

Stay tuned, this spring, the Taylor Early Childhood PTO is in the process of planning some fun events to raise money for our preschool. We would like to add to our existing playground and make it more accessible to all students.

PEVELY ELEMENTARY NOTES

The students and staff at Pevely Elementary recently celebrated the winter holidays with several fun-filled festivities! A few of the most notable events were the First Grade Christmas Concert, a Christmas Assembly, and class parties.

At the First Grade Christmas Concert, students held glow sticks, Christmas lights, and flashlights amongst a darkened room as they performed a variety of Christmas classics led by Pevely Elementary music teachers Mrs. Pruett and Mr. Garber. Towards the end of the show, “The First Mates” took the audience (and their students) by surprise, and performed a lively musical number!

Students wait anxiously for Santa to arrive at the Christmas Assembly

“Chuckles the Elf”...on a shelf, in the Pevely Elementary office.

The administrative team at Pevely Elementary hopes you had a wonderful holiday with family and friends. We look forward to the many great things the New Year brings!

Santa Claus and Chuckles the Elf at the Pevely Elementary Christmas Assembly.

Pevely Elementary Principal Angie Helms, and Assistant Principals Adam Dixon, Alice Menne.

STMS RECEIVES EXXON MOBIL EDUCATIONAL ALLIANCE GRANT

On 12/15/15, Beth Oberkirsch, STMS parent & Exxon Mobil employee presented a monetary award of \$500.00 to Mr. Johnson / STMS from Exxon Mobil's Educational Grant Foundation. The money will be used to provide educational support for Senn-Thomas Science and Math programs!

STMS STUDENTS HOST ANNUAL OFFICERS APPRECIATION LUNCHEON

Senn Thomas Middle School students hosted their 7th annual appreciation luncheon in October. Several students at STMS wrote

letters of appreciation for the Herculanum Firefighters and Police Officers. The students' letters and artwork were put in a binder as a gift. This year, Hannah Watson designed and sketched artwork that was given to the officers as a gift of appreciation.

Since the officers sit in the class and eat lunch with the students, this provides time for all to talk with each other on a personal level.

This helps the students foster a positive relationship with our officers. As a community it is important for our children to understand that our officers are here to help us, protect us and enjoy spending time with us in a positive manner. I hope our firefighters and police officer's know how important they are to us. They deserve our respect, appreciation and support.

STMS COMMUNITY SERVICE CLUB STAYS BUSY DURING FIRST SEMESTER

The STMS Community Service Club has had a great start to the 2015-2016 school year and a very productive 1st Semester. The club has been meeting monthly to develop plans and organize their efforts to impact the community. The meetings have been averaging over 100 students. One of the first objectives was to elect officers for this school year. The club elected Kaylee Reed – President, Persepheni Berry – Vice President, Madelyn Bartosch – Secretary, and Macey Pilliard – Treasurer. I am extremely proud of the hard work and dedication that all members have provided to the club and community thus far. The STMS Community Service Club recorded over 487 service hours in 2015. Some of the events from this fall are listed below:

HOMECOMING DECORATING (October)

Club members decorated the entire STMS Campus for Homecoming Week

WE WANT YOUR FEEDBACK ON THE BLACKCAT NEWS!!!!!!

The Blackcat News is a quarterly communication tool that we use as one way to keep you informed about Dunklin R-5 School District. We want this publication to be useful to you as a patron of our schools- "Must-Read Material"!

Is there...

- ◆ Something you've read that you don't understand?
- ◆ Information that you would like to see included that is not?
- ◆ Something you want to see more often or less frequently?

We value your input! Please email your feedback to our Assistant Superintendent, Mike Golden, at mgolden@dunklin.k12.mo.us

Don't use email? Call Dr. Golden at 636-479-5200 ext. 1.

More Senn-Thomas News

STUCO Canned Food Collection (November)

Club members donated canned food items to the Student Council food drive.

Million Misfit Sock Mark (October)

Club members participated in a nationwide anti-bullying campaign. Club members made posters and encouraged students to participate by wearing crazy socks.

Christmas Card Collection for Safyre (December)

Club members and other students wrote Christmas cards to a young girl named Safyre in New York. Safyre lost her father and siblings in a fire that was set on purpose. She was burned over 75% of her body and has lost a hand and foot due to her injuries. Around 60 cards were delivered to Safyre.

Jefferson County Rescue Mission (November)

Club members helped with stocking and unloading the Scouting for Food Drive.

STMS Community Service Bowling Lock In

75 club members participated in the celebration lock in. Club members participated in cosmic bowling, competitions, games, PS3/ Xbox, & food.

Veteran's Parade (November)

Club members participated in the Herculaneum Veteran's Parade.

Veteran's Assembly (November)

Club members wrote "Thank You" letters to attending Veterans.

Once again, I am extremely proud of this group and I am looking forward to what 2016 has in store for us.

Thank you, Mr. Reece

STMS Toy Drive (December)

Club members organized an event to collect toys for local families in need. 220 toys were collected and delivered to Hand n Hand Pregnancy Center.

High School News

NEWS FROM THE HIGH SCHOOL COUNSELOR'S OFFICE

Class of 2015 Follow-up

As part of our on-going review process, we are required to follow-up with our graduates. We are asking students from the Class of 2015 to please complete a brief follow-up survey regarding your time at Herculaneum High School and what you have been doing since graduation. This survey can be found by going to the district webpage or at www.tinyurl.com/hhs15followup If you have any questions or concerns regarding this matter, please call the Counselor's office at 636-479-5200.

Class of 2016 Scholarship/A+ Information/FAFSA

The Spring Semester Scholarship list is available in the Counselor's office. Parents and students are invited to stop in and pick one up. The list can also be accessed on the district webpage or by visiting www.tinyurl.com/HHSspring16scholar

The A+ Program requires all male students to register for the Selective Service if they are 18. Male students should visit www.sss.gov to register. Also, completion of the FAFSA (Free Application for Federal Student Aid) is required prior to graduation. We will be hosting a FAFSA help night on February 25, 2016, there will be more detailed information sent to senior parents.

National ACT Test Dates

February 6, 2016. Deadline to register was January 8
April 9, 2016. Deadline to register is March 4
June 11, 2016. Deadline to register is May 6
Registration information is in the Counselor's office or by registering at www.actstudent.org

State/District ACT Test Date

Juniors will take the State ACT Test on April 19, 2016. The State ACT results can be used for college entrance.

8th Grade to High School Transition:

Starting in January our 8th Grade Students will be visiting the high school in small

groups in preparation for their transition to 9th grade in 2016-17. During their visits, students will meet high school faculty and staff, sit in a few high school classes, and register for their freshmen courses over the next few months.

2016-17 Freshmen Parent Night:

There is an Incoming Freshmen Parent Night scheduled on Thursday, April 14, 2016 from 6:00 – 7:00 PM in the High School Theater. We will share information about the course selection process, high school graduation requirements, the A+ Program, athletic/activity eligibility, and other general information about high school.

Area Technical School:

A representative from the Jefferson College Area Technical School (ATS) will be visiting the high school campus on February 22-23 to present information to our students about the 2016-17 school year and the programs available to them at the ATS. The deadline to apply for the ATS Program for the 2016-17 school year will be March 1.

Herculaneum High School Rotary Students of the Month

November Rotary Student of the Month was Madison Shadowens. She is the daughter of Mike and Michelle Shadowens. Madison is a member of Student Council, National Honor Society, Varsity Volleyball, Varsity basketball, Varsity Track and Field and is the drum major for the Blackcat Marching Band. She plans to attend Missouri State University after graduation.

December Rotary Student of the Month was Kaylynn Monarch. She is the daughter of James and Paula Monarch. Kaylynn is a member of National Honor Society, Varsity softball, Varsity track and field and Varsity band. She plans to attend William Woods University after graduation.

FIND US ON FACEBOOK

Herculaneum High School Guidance Department has a Facebook page. Please like this page to see updated college visit information as well as reminders for scholarship deadlines and other information

STUDENTS INDUCTED INTO NATIONAL HONOR SOCIETY

The NHS serves to recognize outstanding high school students. During an induction ceremony held on November 18th, 2015, the following students were honored for their excellence in character, scholarship, leadership and service by being accepted into Herculaneum High School's chapter of the National Honor Society. We congratulate these students and their parents and guardians for their achievement and distinction as being some of Herculaneum High School's best and brightest.

Lani Meyer, Ryan Duvall, Jordan Mouser, Kasey Eliscupides, Claire Shadowens, Autumn Bess, Alyssa Bess, Kelsey Baldwin, James Moloney, Danielle Prince, Emily Fischer, Randye Uhlmann, Danielle Vaughn, Kayla Conway, Lauren Partney, Courtney Lawson.

NATIONAL HONOR SOCIETY STUDENTS HOLD FOOD DRIVE

The HHS National Honor Society held a food drive at Aldi's in Festus on December 18th, 2015 as one of their service projects. The students collected over 1100 cans of food that were donated to the Jefferson County Rescue Mission Food Bank in Pevely, Missouri. The food bank provides food to those in need, helping over 10,000 residents of Jefferson County each year. The JC Rescue Mission noted that the food donations the National Honor Society collected will be a great help for those in need this year.

HIGH SCHOOL NEWS

LETTER FROM THE HIGH SCHOOL ADMINISTRATION

It is hard to believe that we are now in the second semester of the 2015-2016 school year. It seems as if school started just a short time ago. The staff is excited to be back in school after the holiday break and we are looking forward to a productive second half of the year.

During the first semester, the National Honor Society held an induction ceremony that recognized its new members. To become a member of NHS, students must meet certain standards revolving around Knowledge, Scholarship, Service, Leadership and Character. Students must also participate in community service projects, obtain letters of recommendations and submit an application for approval. Being selected for the NHS is an achievement for which students and parents should be very proud.

We are now in the middle of the winter sports season. We would like to invite everyone to attend some of our athletic contests. The student/athletes of Herculaneum High School work very hard and the coaches and players always appreciate the support of the community. Scores and other information of all events are posted on the Blackcat Twitter account. Sporting event cancellations are updated on the website as well as announced on local radio stations and the Blackcat Twitter account.

With winter upon us, it is important that all families have their current phone numbers updated with the school. The district uses the Alert Now telephone system for special announcements including school closings. When the decision is made to cancel school, a message is sent to the phone number on record for each student. To help ensure you receive these important messages, please contact the office to update contact information.

We encourage your involvement in your son's/daughter's education so please feel free to contact the teachers or the high school office if you ever have any questions or concerns. We are always appreciative and ready to help you in any way we can. Telephone numbers and emails for all staff members can be found on the Dunklin R-5 district website. Following are important upcoming dates:

- January 8 - 1st semester report cards sent home
- January 18 - No school for Martin Luther King Jr. Day
- January 19 - No school for students/Professional development for teachers
- January 29 - First 3rd quarter progress reports sent home
- February 12 - No school for students/Professional development for teachers
- February 15 - No school for Presidents Day
- February 19 - Second 3rd quarter progress reports sent home
- March 10 - 3rd quarter assessments
- March 11 - 3rd quarter assessments
- March 11 - End of 3rd quarter
- March 21 - Parent/Teacher conferences 1:00 pm - 8:00 pm

We hope everyone had a wonderful holiday and has a great 2016!

Sincerely,
High School Administration

STUDENTS LEARN TO GARDEN INDOORS

The high school Life Skills class has been given a wonderful gift this year- a Tower Garden by Juice Plus was donated to them. A tower garden gives the opportunity to grow a garden indoors year-round with minimal space. This is done by the use of hydroponics, which means the Tower Garden waters itself and requires little to no soil. It also includes a lighting system that will run throughout the day to represent sunlight.

This tower garden has given the class the opportunity to watch vegetables and fruits grow from planting the seeds to pollinating the flowers as well as harvesting their crops. The class began with planting the seeds and keeping the lights and water at just the right times of the day. Once this was set up their job was to make sure the water levels stayed at the right levels, the ph levels were just right, and the tonic was right in the water. Within a week the seeds began to sprout and grow and within the first 4 weeks they had harvested Bok Choy, Rainbow Chard, and 2 different types of lettuces twice! The students have had a fun time taking care of their plants and watching them grow. They are collecting data and graphing it in two different ways.

This has been a great addition to their classroom and they are learning so much about the growing process. The Dunklin R-5 School District hopes to be able to expand this learning opportunity to more students at all grade levels in the future.

HHS WEIGHT ROOM RECEIVES A MUCH NEEDED FACELIFT

The weight room equipment at the high school has been upgraded! The school district funded the bulk of the project, and our athletics programs contributed the remainder of the cost to acquire the new equipment. We replaced our old racks, benches, weight bars and dumbbells and added a couple of new pieces of equipment. The weight room received a fresh paint job as well. Special thanks to Coach Tom Almany, Coach Jim Almany, Coach Rob Lorinc, Coach Kyle Davis, Blackcat Alumni Devon Foote, current students Tim Venable, Sawyer Wilfong, Colby Wilfong, Thomas Johnston, and Jason Harden for their help throughout the project, as well as Coach Schell & Coach Weinhaus and the PE Classes for their assistance in setting up the new equipment. We are not quite finished and have some additional pieces coming in,

as well as some things to put up on the walls, but the weight room is open for business! We encourage all of our athletes to get involved in our after school weight lifting and training program. As a part of the overall weight room improvement project, our coaches will be going through a Weight Room Safety Certification Course through Bigger-Faster-Stronger on January 23.

BLACKCAT CHEER TEAM MAKES A STRONG SHOWING AT STATE

The 2015 Herculaneum Cheerleaders had a strong showing at the recent State Cheerleading Competition held on November 7th at the Hearnese Center at MIZZOU. They placed 2nd overall in their division, which is their highest placement over the last several years. The team worked very hard to prepare for this year's competition and was extremely proud of their placement. Team members include: 7 seniors (Sarah Dunn, Sammie Francis, Kayla Kratochwil, Aubrey Losh, Danielle Seger, Mariah Theves, Randye Uhlmann); 2 juniors (Destinee Brooks, Emily Coy); 12 sophomores (Haley Akin, Bridgette Berner, MaDonna Conway, Kassie Helms, Kaitlyn Holland, Alyssa Huson, Bailey King, Angela McCarthy, Jules Montgomery, MacKenna Patterson, Ashley Vaughn, Abby Wiese); and 6 freshmen (Amber Fasnacht, Athena Harvey, Kyla King, Lexi Lodiike, Morgan Oberkramer, Danielle Thieme). Herculaneum's coaches are Holly Pashia, former assistant coach, and Hannah Dunn, former Blackcat cheerleader at HHS.

Dunklin Sports

BLACKCAT FOOTBALL TEAM MEMBERS EARN AWARDS

The Blackcat Football team ended the 2015 season with a loss to Cardinal Ritter and a final record of 4-7. After starting the season 0-5, the Blackcats won 4 of their last 6, securing 1st round district playoff home game. The Blackcats won that first round game over Cleveland NJROTC and advanced on to the second round where they fell to Cardinal Ritter. This group was young, inexperienced, and returned only 3 starters from the 2014 team. However, they grew each week and improved as a team. We are proud to announce the following post-season award:

JCC All-Conference Selections:

Offense:

LJ Nelson - 1st Team Running Back
Zach Phillips - 2nd Team Offensive Guard
Tim Venable - Honorable Mention Quarterback
Matt Coffman - Honorable Mention Wide Receiver
Austin Knobbe - Honorable Mention Offensive Tackle

Defense:

Sawyer Wilfong – 2nd Team Defensive End
James Moloney - 2nd Team Linebacker
Tim Venable - 2nd Team Defensive Back
Austin Wooten - Honorable Mention Defensive Line
Johnny Cox - Honorable Mention Defensive Back

Southeast Missouri Area Football Coaches' Association – Blackcats named to the All-Region Team:

1st Team All SEMO Area:
Sawyer Wilfong - Defensive End

2nd Team All SEMO Area:
James Moloney - Linebacker
LJ Nelson - Runningback

Missouri State Class 2, District 2 – Blackcats named to the All-District Team:

1st Team All-District:
LJ Nelson - Running Back
Tim Venable - Defensive Back
Sawyer Wilfong - Defensive End

2nd Team All-District:
Tim Venable - Quarterback
James Moloney - Linebacker
Zach Phillips - Offensive Line

Missouri State Class 2 Missouri Football Coaches' Association II-State Selection:

Sawyer Wilfong - 3rd Team All-State Defensive End
Tim Venable - 3rd Team All-State Defensive Back
Austin Knobbe - Academic All-State
