SCHOOL YEAR 2015-2016

October 15, 2015

Dawn Warner

Letter From the Board President

Dear Dunklin R-5 Stakeholders:

The 2015-2016 school year has gotten off to a great start! We have welcomed many new faces to our staff as well as many new students. The board and I are very encouraged by the amount of positive feedback we have received with regards to the start of this school year. I also want to mention that I have seen a lot of really great school spirit lately as well. We are Blackcats! Great job to everyone, keep up the good work!

If you have been to any of the buildings recently, you may or may not have noticed that our district is growing. Many of our buildings are very close to capacity. Last year we had to purchase modular buildings at Pevely Elementary to help with this. However, based upon our current numbers and future projections it is very clear- we need more space! This need is not just at Pevely, we need more space district- wide, and there are various other facility issues within our campus that also need to be addressed. It is because of these things that we started our Master Facility Planning process last year. This committee- comprised of parents, staff and administration- met many times to discuss what we need in order to continue meeting the needs of our growing district. As a district, we strive to provide a safe and inviting place to learn.

With deteriorating facilities in some areas, in addition to our growth, this has become very challenging. Over the last couple of months the committee began hosting public community engagement meetings. At these meetings they are presenting to our stakeholders what the needs are in an effort to gain feedback to help aid in this process. These meetings are very informative. The next meeting will be held at Herculanum High School in the cafeteria on October 21st beginning at 6:30pm. If you have not attended one, I encourage you to do so.

Assessment data from the 2015 Spring MAP test and our Annual Performance Report (APR) score will be released later this month. The board, along with administration and staff, will be reviewing that data very closely to see where our strengths are, as well as where we have opportunity to improve. This data helps us plan and make adjustments that will benefit student achievement and growth. One way we continue to help with student achievement and growth is through our BRAG program. This program of after school tutoring at Pevely Elementary is great! We appreciate all the volunteers who come and give of their time and talents to help the children of our district. This year we are expanding tutoring opportunities at Senn- Thomas Middle School and Herculanum High School. Bus service is also provided after tutoring to make it easier for more children to attend. If your child needs assistance, please contact someone either in the office of their school or their teacher for more information.

I would like to encourage your attendance to the upcoming parent teacher conferences this month. I cannot sufficiently stress how being engaged and involved in your children’s education promotes better learning. Our Mission statement is “Educating today for a better tomorrow”. It takes all of us working together to make that happen. Thank you to everyone who is helping us on that journey!

District Information

LETTER FROM THE SUPERINTENDENT OF SCHOOLS

As I write this, the District is in the middle of a series of community engagement meetings for the master facility plan. The first three meetings have been very productive and the fourth meeting will have taken place by the time this is published. If you have not yet been involved there is still an opportunity to do so. There will be two more meetings; both will be at the Herculanum High School cafeteria from 6:30 to 8:30 pm. These two upcoming meetings may be the most important of all. On October 21st, the group will hear financial information for completing capital projects and the results of the phone and on-line surveys. The group will also start to prioritize the list of projects. At the November 18 meeting the final prioritization list will be developed for the long-term plan. This list will then be presented to the school board by the co-chairs, Amanda Bartosch and Jim Vaughn, who are district parents. I would encourage everyone- parents and all other community members and stakeholders- to be involved in the process and attend the final two meetings.

Congratulations to Mrs. Jill Pickard on being selected for the Emerson Excellence in Teaching Award. Mrs. Pickard will be recognized this fall at a special event sponsored by Emerson. Next spring, the district will be taking nominations for Dunklin R-5 Teacher of the Year. Information will be shared on the website when the nomination process starts.

Congratulations to Mr. Elmo Blum and Mr. Richard Burchett for their induction into the Blackcat Hall of Fame. They are very deserving of this honor and great representatives of the graduates of Herculanum High School. If you know others that are deserving of this award I would encourage you to nominate them. Information for this process can be found on the district website under Blackcat Alumni.

Go Blackcats!

Stan Stratton
Superintendent

HHS TEACHER HONORED WITH EMERSON EXCELLENCE IN TEACHING AWARD, 3 DUNKLIN TEACHERS NOMINATED

The Emerson Excellence in Teaching Awards program, sponsored by Emerson, annually recognizes more than 100 educators in the St. Louis metropolitan area – from kindergarten teachers to college professors – who are examples of excellence in their field. One teacher from all 3 Dunklin R-5 buildings who serve K-12 students was nominated by their building principal as being exemplary staff members who work to carry out our mission of “Educating today for a better tomorrow”. The administration team then discussed and voted to select one nominee for the award from the very deserving group of 3. The 3 nominees were:

- Mrs. Sherri Moreland, Pevely Elementary School
- Mrs. Stephanie Headrick, Senn-Thomas Middle School
- Mrs. Jill Pickard, Herculanum High School

The Dunklin R-5 School District nominee for 2015 is Mrs. Jill Pickard. Mrs. Pickard will be honored at a ceremony held by Emerson next month, which she will attend with her principal, Dr. John Crabtree. Below is the written recommendation by Dr. Crabtree, which summarizes why Mrs. Pickard is an example of excellence in her field.

“It is my pleasure to recommend Mrs. Jill Pickard for the Emerson Excellence in Teaching Award. Twenty-two of her twenty-five years in education have been at Herculanum High School where she is one of the most highly respected teachers by the staff and the student body. Her commitment and professionalism are evident every day in the classroom where her day extends well beyond the normal school hours. Daily, she can be found working with students on any subject before and after school. She is available during summer school to help with tutoring or teaching and attends workshops to learn new and innovative ways to improve her abilities in the classroom. Her true care and concern are apparent as she is often seen supporting the student body at games, concerts, and plays. The Herculanum High School student body recognized Mrs. Pickard’s dedication and passion for education when they selected her as the 2013 Teacher of the Year.

Mrs. Pickard has been regarded by the administration as a trusted leader of the staff. She has served as a mentor for new teachers to the district providing them guidance and support. Mrs. Pickard has also served on several committees during her time with the district, and she has represented the math department as a member of the Professional Learning Communities leadership team. She has spent many hours with other teachers, administrators, and parents to develop new and innovative teaching strategies to help students succeed in the classroom. As the math department chair, she was instrumental in developing the current math curriculum. Mrs. Jill Pickard goes above and beyond normal teaching and I consider her an excellent representative for this award.”

TWO NEW INDUCTEES INTO BLACKCAT HALL OF FAME

Two Herculanum High School Graduates were recently inducted into the Blackcat Hall of Fame. Candidates considered for the Hall of Fame have been nominated by multiple people in the community. All nominations are reviewed, discussed, and voted on by the Hall of Fame Committee consisting of community members, alumni, and current staff members. Candidates are considered for the Hall as distinguished alumni, for distinguished service to the school, or both. The 2015 inductees, Mr. Elmo Blum and Mr. Richard Burchett, were inducted as “Distinguished Alumni”.

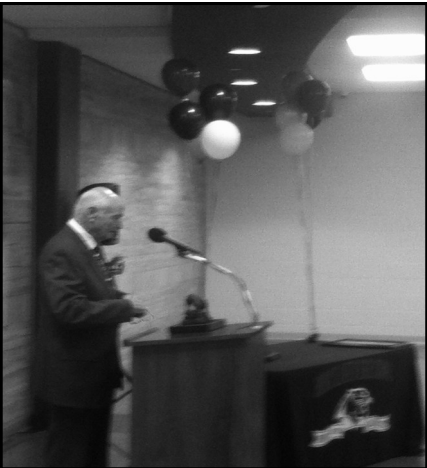

Mr. Elmo Blum, Class of 1941, served our country in the Navy after graduating from Herculanum High School. He went on to become a very successful businessman and member of multiple community organizations, and has worked tirelessly to help others through various charitable organizations over the years. At the age of 92, Mr. Blum continues to serve the citizens of Jefferson County through volunteer work.

Mr. Richard Burkett, Class of 1970, earned a degree in Art Education from Southeast Missouri State University. He immediately put this degree to use to gain employment, and has become a well-respected artist around the world through his work as a comic book artist. Mr. Burchett’s work includes multiple DC Comic and Marvel Comic titles such as Batman, Superman, The Flash, The Justice League, and She-Hulk. Mr. Burchett also volunteers much of his time to his church and local schools teaching art techniques to students.

Hall of Fame weekend activities included a visit with students to share their knowledge about the world and being recognized at the Hall of Fame Game on 9/11 and the Hall of Fame induction ceremony and banquet on 9/12. Mr. Blum and Mr. Burchett also rode in the Homecoming Parade on 9/24. Congratulations to our 2015 Blackcat Hall of Fame inductees!

For information on the Blackcat Hall of Fame including nomination information, biographies of current-year inductees, and a list of all HOF members, visit the Blackcat Alumni page on our district website at www.dunklin.k12.mo.us.

Mr. Elmo Blum speaks at the Blackcat Hall of Fame Banquet.

Mr. Richard Burchett speaks at the Blackcat Hall of Fame Banquet.

News & Notes From Taylor Early Childhood Center

Happy Fall Taylor Families! We hope that many of you were able to attend the Book Fair, Grandparents Day, and the Fall Festival.

Taylor Early Childhood Staff were invited to participate in the Community Build Day for Kade's Playground. Several staff members assisted in planting and landscaping the playground area. It was a wonderful experience and we were so glad to be a part of such a rewarding experience. Once the playground is complete, it should provide our community a wonderful place for ALL children to play.

October is full of fun things and one thing we are most excited about is sharing your child's progress with you at Parent Teacher Conferences. Parent Teacher Conferences will be held on Thursday, October 22, 2015 from 1:00 p.m. until 8:00 p.m. We look forward to seeing you there! There will be no school on Thursday, October 22 or Friday, October 23, 2015.

On Friday, October 30, Taylor Early Child will hold our annual Fall Parties and trick or treating. The a.m. session party will be held at 10 a.m. and the p.m. session party will be held at 2 p.m. We ask that you donate at least

one bag of candy per child to make our trick or treating event a success. More information will be sent home. We look forward to seeing you on October 30!

PEVELY ELEMENTARY FALL FESTIVAL REMINDER!!!!!!

**This is a reminder that our
2nd Annual
PES Family Fall Festival will be
Thursday, October 29th from 5:30-8:00.**

RSVP was due 9/29 in order to have an accurate count.

If your child enrolled after this date, please contact Mrs. Crisel at 636-479-5200 ext. 3 or pcrisel@dunklin.k12.mo.us for information.

It will be crowded- we have over 1,600 total students and family members who have RSVP'd!! Parking will be available on site on a first come, first served basis. Off site parking and a shuttle will also be available. Parking information will be posted on our website and provided to you as the event date approaches.

This festival was a huge success last year and gives our staff a chance to interact with families in a fun atmosphere and to give you important information about our programs, and gives our families a free night of fun. We look forward to seeing you on the 29th!!!

READ, WRITE, RUN PROGRAM AT PEVELY ELEMENTARY

Pevely Elementary will be participating in the Go! St. Louis Read, Right, Run Marathon program for the second year in a row. Last year 25 students from Pevely Elementary along with 200 other schools participated in the program.

The Go! St. Louis Read, Right, and Run Marathon combines three important components of education, community service and wellness to give students a fun and challenging way to accomplish a goal. During the program the students will meet with their program coordinators, Dawn Cappozzo, Lesa Cruzado, Ashley Unger and Lindsay Watson to READ 26 books, RIGHT the community by doing 26 good deeds/acts of service and RUN 26.2 miles individually to add up to a full marathon by April 9, 2016. They will participate in the last 1.2 miles of the marathon on April 9, 2016 in Forest Park representing Pevely Elementary.

Pictured are those who participated in the 2015 program from Pevely Elementary.

@DrMikeGolden

Senn-Thomas News

STMS CREATES STUDENT LEADERSHIP TEAM

Senn-Thomas Middle School has newly recognized student leaders in the building. This group of 16 7th and 8th graders was nominated by their teachers or staff member, completed a written application, and sat through a 3-panel interview. The “STMS Leadership Squad” will help create PBIS (Positive Behavior Intervention Support) lessons for all of the classes, through the use of videos, skits, assemblies, and presentations. They will act as positive role models for others in supporting a positive climate and culture for STMS. They help guide new students through the building and help them learn about “The Blackcat Way.” The Leadership Squad will grow second semester and be offered to sixth graders.

Recently, on September 17, 2015, the eighth graders on the Leadership Squad attended a Middle School Summit through CharacterPlus entitled, “A Culture of Allies: Bullying Prevention through Student Leadership.” These students met with other schools around the St. Louis and IL region. Ideas were discussed and an action plan was created by the students to help improve the climate and culture of STMS. The conference empowered the students to come back and put their ideas into action, which they have done. Members of the “Leadership Squad” have created a survey for all the students in the school to see the positive and negatives. Results of the survey will help the students decide what to focus on for the lessons. A data wall will be displayed when walking in to STMS so look for the results! These students will return in February to share the action plan and results.

On September 24, 2015, other “STMS Leadership Squad” members attended Red Ribbon Week Training with 5th graders from the elementary school. Mr. Ethan Fischer, teacher at STMS, and Chelsey Holdinghausen, Grades 3-5 Counselor from Pevely Elementary, accompanied these students. The students attended breakout sessions dealing with drug and alcohol prevention. These students will assist in putting together a theme for Red Ribbon Week and activities for the week to help promote healthy lifestyles and alternatives to drugs and alcohol.

Inclement Weather Advisories

In the event of school closing or early dismissal due to ice or snow we will contact the following radio stations: *KJFF AM 1400 *KMOX AM 1120 KTJJ FM 98.5

We will also contact the local TV stations: Channels 2, 4 and 5.
* Stations the school alerts first.

LETTER FROM STMS PRINCIPAL

Hello Fair Citizens,

Be sure to stop by and see our new staff members as well as some staff members returning in new roles when you come to **STMS P/T Conferences on Oct. 22 from 1:00pm to 8:00pm!**

Ms. Tracey Payne : SPED / Language Arts Teacher

Ms. Kimberly House: Assistant Principal (spends time at both STMS & PES)

Ms. Dawn Vaughn: Full-time Counselor

This year we have online parent support for our new math curriculum: <http://connected.mcgraw-hill.com> Touch base with your student’s math teacher for additional info.

Please ask us about our STMS Chess Club: 70+ students strong & our STMS Community Service Club: 100+ students strong. Ms. Stein sponsors Chess Club & Mr. Reece sponsors Community Service Club.

1st 2015-16 STMS Parent Advisory Meeting on Thursday October 15, 2015 from 6 -7:00 PM. We would love to have you attend and hear your input.

Mr. Brian Johnson, Principal

**PARENT-TEACHER
CONFERENCES
October 22, 2015
All Buildings
1:00 p.m. to 8:00 p.m.**

WE WANT YOUR FEEDBACK ON THE BLACKCAT NEWS!!!!!!

The Blackcat News is a quarterly communication tool that we use as one way to keep you informed about Dunklin R-5 School District. We want this publication to be useful to you as a patron of our schools- “Must-Read Material”!

Is there...

Something you’ve read that you don’t understand?
Information that you would like to see included that is not?
Something you want to see more often or less frequently?

We value your input! Please email your feedback to our Assistant Superintendent, Mike Golden, at mgolden@dunklin.k12.mo.us

Don’t use email? Call Dr. Golden at 636-479-5200 ext. 1.

Attend Today, Achieve Tomorrow

We take our mission of “Educating today for a better tomorrow” seriously. In order to meet this mission and prepare our students for a better tomorrow, we need ALL of our students to be here EVERY day possible and to be ON-TIME to school. Being late chronically and being absent “here and there” can begin to add up quickly. Most of us can probably agree that it is a fairly obvious statement to say that kids that miss a lot of school are going to struggle. But when you look at what research tells us about the impact of attendance on student success, it is staggering:

- ♦ Missing more than the equivalent of 5% of school (9 days a year for Dunklin R-5) puts a student in the at-risk category for achievement and graduating on-time.
- ♦ Missing more than the equivalent of 10% of school (more than 16 days a year for Dunklin R-5) puts a student in the chronic absentee category and is a huge red flag and indicator of probable struggles ahead.
- ♦ Students who are chronically absent in K or 1st grade are almost 40% less likely to read on grade level by 3rd grade or to be retained. These students are then at much greater risk of dropping out of high school.
- ♦ Nationally, students who are chronically absent in 6th grade and beyond are 3 times more likely to drop out than to graduate from high school.
- ♦ 9th grade attendance is a better indicator of high school graduation than 8th grade test scores.

Our goal is to have 100% of our students attending school at least 90% of the time. We believe this goal is not only attainable but absolutely necessary for us to meet our mission. We need all students, parents, and community members to help us meet this goal. Talk to your child’s teacher, our administrative team or our guidance department if you have questions about how you can help us or if you are in need of assistance to improve your child’s attendance. For more information on the impact of attendance on student outcomes, visit www.attendanceworks.com.

News & Notes From The HHS Guidance Office

Class of 2016 Scholarship Information

Scholarship lists are available in the guidance office, parents and students are invited to stop in and pick one up. You can also access the list on the school website by clicking on the High School, Counselors Corner link. Scholarship lists are always changing as new scholarships become available.

Herculaneum High School Guidance Department has a Facebook page. Please like this page to see updated college visit information as well as reminders for scholarship deadlines and other information.

A+ Information

The A+ Program requires all male students to register for the Selective Service if they are 18. Also, completion of the FAFSA (Free Application for Federal Student Aid) is required prior to graduation. We will be hosting a FAFSA help night in early spring. Detailed information will be sent home closer to the date.

National ACT Test Dates

December 12, 2015. Deadline to register is November 6.

February 6, 2016. Deadline to register is January 8.

April 9, 2016. Deadline to register is March 4.

June 11, 2016. Deadline to register is May 6.

Registration information is in the guidance office.

District Testing

Juniors will take the Armed Services Vocational Aptitude Battery on November 24, 2015. The ASVAB is not only used as a tool for the Armed Services. This assessment is also used to assist our students with career exploration and in exploring their interests for future planning.

Freshman will take the ACT Aspire on November 24, 2015. The ACT Aspire is an early high school exam, linked to ACT College Readiness benchmarks and is the best predictor of performance on the ACT.

Juniors will take the State ACT Test on April 19, 2016. The State ACT results can be used for college entrance.

Herculaneum High School Rotary Students of the Month

September Rotary Student of the Month was Kayla Conway. She is the daughter of Rick Conway Jr. and Michelle Conway. Kayla is the HHS President of FBLA as well as a FBLA district officer for District 9. She is also active in Women’s Choir and the musical productions at HHS. Kayla plans to become a nurse anesthetist.

October Rotary Student of the Month is Madeleine Myers. She is the daughter of Mike and Pam Myers. Madeline is the HHS Vice President of FBLA as well as a FBLA district officer. She is also in Women’s Choir and participates in the HHS theatre program. Madeleine plans to become a nurse anesthetist.

Guidance Department College Visits

The following representatives will be visiting Herculaneum High School during BOSS time. Interested Juniors and Seniors should sign up in the Guidance Office.

October 22 - Mineral Area College

October 27 - St. Louis University

October 29 - Paul Mitchell

November 5 - Fontbonne University

Board Meetings Open to the Public

The Dunklin R-5 Board of Education meets on a regular basis on the third Tuesday of each month. The meetings are held in the Dunklin R-5 Central Office beginning at 7:00 p.m. The meetings are open to the public.

Patrons may view agendas and items from the meetings by going to our website www.dunklin.k12.mo.us, clicking on the District tab and clicking on “Paperless Board Meetings”.

High School News

LETTER FROM THE HHS PRINCIPAL'S OFFICE

The beginning of the school year has gotten off to a great start! The teachers and students have been working hard in the classroom and it is hard to believe the 1st quarter has come to end. This new year has brought about a few changes from last year. During open house you may have heard teachers discussing My Job, Your Job, Our Job. This approach to curriculum delivery puts emphasis on involving students and parents in the learning process. Students worked with teachers at the beginning of the year to set up ground rules, learning objectives, and goals for each of their classes. Students were also introduced to different techniques in the classroom that helped students track their progress and become more involved in how they were learning. They were also provided with techniques in which they could use, with the teacher's guidance, strategies for how they learned classroom material. Part of this approach is the use of data binders. Data binders are a way for students to track their grades and work. Much of this data is documented in the students' laptops. Students can log into their laptop and see how they are doing in their classes.

Next week the high school will be hosting Parent/Teacher conferences in the cafeteria. On October 22, students will be out of school. Teachers will be working in the morning in professional development workshops. The conferences will begin at 1:00 pm and end at 8:00 pm. All teachers will be in the cafeteria and available to speak with all parents. Beginning at 1:00 pm, parents will be able to pick up students 1st quarter report cards and then speak with teachers. I encourage all parents to take this opportunity to meet with your son's/daughter's teachers. Keeping an open line of communication with teachers can be very productive.

Last school year we began an Advisory/Boss (Blackcat Opportunity for Student Success) Time. Student performance improved over the previous year so we are continuing the program for this year with a few adjustments. This year we moved BOSS Time from after 5th period to after 6th period. We felt students would be better served if they attended six periods before BOSS Time. We are still conducting

BOSS Time on Monday, Tuesday, Thursday, and Friday. On these days, students attend tutoring sessions and enrichment activities. On Wednesday, students meet with their advisory teacher and discuss grades, attendance, and their overall performance.

Contact information for the high school staff and office can be found on the Dunklin R-V website at www.dunklin.k12.mo.us.

Following is a list of upcoming dates:

HHS VOLLEYBALL NEWS

Lady Cats form a “Human Breast Cancer Ribbon” to honor those who have fought and continue to fight cancer

Hard work, Dedication and Team Play have propelled the Lady Blackcats to a successful 2015 season. The Lady Cats earned their first tournament title in the past ten years at the Cuba Tournament played in September, beating Viburnum for the championship!

At press time, Varsity held a record of 14-10 while JV is at 10-7 with 3 regular season games remaining.

On Tuesday, September 29, the annual Dig Pink Game was played against Festus. A short ceremony honoring those whom have battled cancer was followed by a small gift given to those in attendance that have been affected by cancer.

As part of the teams community involvement, can goods were collected which resulted in a donation of over 500 food items to the Jefferson County Rescue Mission!

Seniors were honored at their final home game on Thursday, October 8, 2015! The team consists of four senior starters: Lani Meyer #9, Cailey Metcalf #22, Maddie Shadowens #6 and Rebekah Williams #18. These ladies have had a
