SCHOOL PHILOSOPHY

The improvement and survival of our democratic society, the strength of our community, our nation, and our international stability are all dependent upon informed citizenry. Quality education and equality of educational opportunities for all and the accomplishments of the public schools are basic foundations upon which the achievement of individuals and the welfare of the society in general rest.

We believe schools reflect the communities they serve. Formal education was established by the community to help students through appropriate programs and services regardless of race, religion, sex, age, national origin or handicapping condition in developing their intellectual, vocational, emotional, physical and social potentialities to the utmost.

To implement this philosophy, our objectives are:

1. To assume responsibility for the education of every child in the community regardless of economic status, creed or national heritage.
2. To assist the child to realize their capabilities, for only with this realization will they grow to their fullest capabilities.
3. To teach the importance and dignity of work and the necessity of good workmanship to the extent that the individual may avail themselves of the right to and the privilege of making a living.
4. To teach the value of self-discipline and an appreciation for the rights of others.
5. To teach that education is the "love of wisdom" and that through learning we acquire a lasting and active desire to obtain further knowledge.
6. To produce citizens with an understanding of the past, a knowledge of the present and appreciation for the democratic ideals and a desire to plan for the future.
7. To develop the ability in students to think constructively and creatively as well as critically.
8. To teach students in such a way that they may be better prepared to take their place in society and guide them to where we believe they should be.
9. To remember that we are, above all else, teachers of children and that it is our responsibility to take all individuals where they are and guide them to where we believe they should be.
10. ***These policies are written to provide that no person shall on the basis of sex, race, color or creed be excluded from participation in, be denied the benefits of, or be subjected to discrimination under educational program or activity provided by school.**

SENN-THOMAS OBJECTIVE

The objective of the middle school is to provide a smooth transition between elementary and the high school. It must take place gradually and prepare the student to assume increased activities and social life in high school. The objective will be achieved by providing a program that will permit the student to explore and obtain varied experiences.

ARRIVING AT SCHOOL

Students must not arrive at school prior to 7:10 a.m. When they do arrive, they should go to the gymnasium and wait there until dismissed at 7:30 a.m. The exception is for students who eat breakfast or go to the library. Those students must go to the front entrance of the main building and secure a library or breakfast pass.

DEPARTING SCHOOL

Senn-Thomas Middle School dismisses at 2:40 P.M. Parent pick up or walkers dismiss after busses depart.

DIRECTORY INFORMATION

According to federal law, parents and students are notified that "Directory Information" will be released as deemed necessary by school officials. The following items are Directory Information: student's name, parent's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous school attended and photograph. Parents or eligible students will have ten (10) school days after the annual public notice to view the student's directory information and to provide written notice to the school that they choose not to have this information released. Unless prior written notice is received, the school district may disclose any of those items designated as directory information without prior written consent.

SCHOOL SPIRIT

This is your school - be proud of it! Our entire school system has a reputation for its fine program of building maintenance. Students should cooperate with school employees in continuing the district's pride in an attractive and well-kept school by giving all the equipment and furniture proper care. Students are requested to report to teachers any defacing marks that may appear on equipment and furniture. The responsibility for good housekeeping will be shared by all who use the building. Show your civic responsibility by keeping paper, trash, etc. picked up at all times.

HERKY FIGHT SONG

*We are loyal to Herky
Honor is our name.
For we will wave our banners o'er us
As we march along to fame
Rah! Rah! Rah!
Marching on, we surely will strive
Laud our glories high in the sky
Fight, fight until the end,
For we will never give in.
Rah! Rah! Rah! Rah! Rah!
Rah! Rah! Rah! Rah! Rah!
Rah! Rah! Rah! Rah! Rah!*

ALMA MATER

Our strong bond shall ne'er be broken,
Formed at Herky High.
Far surpassing wealth unspoken,
Sealed by friendship's ties.
Alma Mater, Alma Mater
Deep graven on each heart.
Shall be found unwavering true
When we from life shall part.

THE BLACKCAT WAY

In Dunklin R-V, we strive for excellence in
academics and character.
We celebrate and honor each other with
integrity, respect and compassion.
We give our best and take
responsibility for our actions.
This is "The Blackcat Way"
even when no one is watching!

GUIDELINES FOR STUDENT CONDUCT AT BALL GAMES

1. Students are not to run around and create disturbances, but are to find a seat and watch the game.
2. Trips to the concession stand are to be kept to a minimum.
3. Objects are not to be thrown.
4. Scuffling, running, playing games, etc. are not to be condoned.
5. At basketball and volleyball games, students are expected to remain in the properly designated area of the building. Students are to remain seated on one side of the gym. Do not cross and re-cross the floor.
6. Students are not allowed in the lower level of the gym (the locker room areas).
7. Students who leave the building will have to pay to reenter.
8. Only drinks in plastic bottles are allowed in the gymnasium.
9. Smoking is not permitted on school grounds.
10. Stomping on the bleachers, whistling, booing, hissing at the officials or players reflects poor sportsmanship and will not be tolerated.
11. Yelling during the opponents' free throw attempts is not allowed.
12. Remember that people judge our school by the actions of a few. Please report all misconduct. We want a good reputation.
13. No "pick-up" football games in the end zone.
14. No footballs, frisbees, bicycles, skateboards or scooters are allowed at football games.
15. These rules apply at away games as well as home games.
16. "Violation(s) of above rules could result in loss of privilege to attend after school activities and/or face disciplinary action at school."

ELIGIBILITY FOR ATHLETICS

The following standards are requirements for participation on one of the middle school athletic teams. These standards are established by the MSHSAA. Additional local standards may also be required:

1. You must be a good school citizen by demonstrating good conduct in and out of school.
2. You must be enrolled in at least five classes.
3. You must have been promoted to a higher grade at the end of the previous year. You cannot fail more than three classes the previous semester.
4. You must enter school the first 11 days of the semester.
5. You cannot participate in any non-school teams the same season as you represent a school team.
6. You must pass a physical examination. Physical examinations passed after February 1 are good for the next entire year.
7. **You must have proof of medical insurance.**

ACTIVITIES

Students are encouraged to attend and to be a part of school activities. There are many opportunities for students to participate. Besides cheerleading and athletic teams, some of the opportunities students may participate in are: Student Council, TREND, Renaissance, Math Contest Competition, Social Studies Quiz Bowl, and many others. The participation of many students in school activities is encouraged as we believe all students have talents and should take advantage of opportunities to improve and display their talents.

A student must attend school at least 1/2 day on the day of an activity in order to participate in the activity. Students who are suspended from school, OSS or ISS, are not permitted to attend any school-related activities or events. This includes practices and games. Students with failing grades or excessive absences may be ineligible to attend or participate in some school-sponsored activities. Any student whose character or conduct reflects discredit upon the school is not considered a good school citizen.

Students attending school activities will be considered under school supervision during that period of time. All students will ride the bus to and from an activity unless prior approval has been obtained from the coach or sponsor in charge. Students are responsible for pre-arranging transportation home after school activities. Students habitually delinquent in arranging transportation will not be allowed to participate in the next activity.

Students attending activities are to watch the activity in progress and not move from area to area. Halftime and intermission time should be sufficient time to visit the restroom and snack bar. Refreshments are not allowed in the gym area with one exception; **only drinks in plastic bottles are allowed in the gym.**

The MSHSAA rules and regulations prohibit the participation in athletics by any 7th or 8th grade pupil repeating a grade, (by-law 214. Sec. 6).

Senn-Thomas students are not allowed to attend high school dances, etc. even if invited by a high school student. Senn-Thomas students are to be on the high school campus only when an activity is being sponsored and a sponsor or coach must be present. Loitering at the high school athletic fields while practice is going on is not permitted.

ASSEMBLIES AND FIELD TRIPS

At all times, the student's behavior should be refined and courteous. Unacceptable conduct would include whistling, uncalled-for clapping, boisterous activity and talking during a program. Students are to follow the directions of the teacher in charge. All school rules apply at assemblies and on field trips.

PARENT-TEACHER CONFERENCES

All teachers have preparation periods, which may also be used for conferences. Parents wishing to arrange a parent-teacher conference should call the school office (479-5200) to make an appointment with the teacher. Biannual Parent Teacher Conferences are scheduled at the end of first and third quarter.

ATTENDANCE POLICY

The Senn-Thomas Middle School attendance policy stresses that all school personnel believe students are expected to attend school regularly and be on time for classes in order to receive maximum benefit from the instructional program and to develop habits of punctuality, self-discipline, and responsibility. There is a direct relationship between school attendance, poor academic performance, and school dropout. Students who have good attendance generally achieve higher grades, enjoy school more fully and are more desirable employees after leaving school.

Regular attendance is the responsibility of the students and their parents. The school has the responsibility to provide instruction, report attendance to parents and when necessary, take further action against students who do not attend school regularly.

Absences are neither excused nor unexcused, they simply are absences. Students missing more than 20 days in a school year are reported to the Division of Family services for having violated the District's Attendance Policy (JED-R2). It is felt that 20 absences is too many days for a student to miss even if they suffer illnesses, deaths in the family and so on. While absences are not excused, if problems arise it is helpful if absences are supported by a note, call or visit to the office to explain the situation.

Steps to follow when absent:

- A. Each day a student is absent, a parent or guardian should phone the principal's office (479-5200) concerning their child's absence. Students are requested to bring a note from their parent/guardian when they return to school. The note should state the following:
 - 1. The days that were missed.
 - 2. The reason they were missed.
 - 3. The signature of the parent or guardian.
- B. Students are to come directly to the office to secure an admit slip after they have been absent/tardy.
- C. Students should present medical excuses, notes or messages, etc. to the office when they return.
- D. Ask teacher for make-up assignments. It is the student's responsibility to ask for assignments and see that they are turned in. Students are allowed one day to make up missed work for every day they miss. If a student misses Monday and returns Tuesday, the work is due Wednesday. Students may make up missed tests. The student should initiate arrangements.
- E. Work can be requested by parent on the 3rd consecutive day of absence. Please call by 8:00 a.m.
- F. If the absence is due to travel, parents or guardian should notify the school prior to the absence.

CAFETERIA AND LUNCH

The cafeteria is where you eat, so keep it clean. Pick up trash before leaving your table. Return your tray, dishes, and silverware to the proper place. Dispose of all waste materials in a proper manner. If asked to pick up paper, etc. from the floor, please do so cheerfully. If you accidentally spill a tray, clean it up! Towels and mops are available from the cafeteria workers.

Talking must be kept to a minimum. Loud talking will not be tolerated. Pushing, shoving, or other boisterous activity in the lunch line, while eating, or at any other time will not be tolerated. A "No Talking" rule may be imposed on any class that becomes too loud or boisterous during lunch. Student cooperation and respect for rules will determine the length of quiet time.

Students participating in breakfast may go directly to the cafeteria between 7:15 a.m. – 7:35 a.m. All students are expected to eat lunch every day. If you do not approve of the lunch offered by the cafeteria, you might want to bring your own lunch. If a student has a medical note, they may be excused from this provision. Students are to remain in the cafeteria until dismissed by the teacher on duty. Students are not allowed to take food out of the cafeteria. A table has been reserved for teachers. Please observe this courtesy. Please make a place in line for adults who may have other duties to perform.

SENN-THOMAS MIDDLE SCHOOL LUNCH SCHEDULE

There are 3 lunch shifts with varied times. Students are given 25 minutes to eat. Lunches from local fast-food restaurants are not permitted.

FINANCIAL ASSISTANCE

The school cafeteria, operated under federal law, provides free or reduced cost lunches for those whose income meets appropriate guidelines. Applications have to be made and if approved students may qualify for this benefit. The breakfast/lunch procedure is operated in such a way as to ensure confidentiality and avoid embarrassment. **The applications for free or reduced cost meals are available in the office. Students are allowed to charge up to \$5.00 on their account.**

COMPUTER/INTERNET USE

The Dunklin R-V School District attempts to provide computer and/or media equipment for use by students and patrons. Equipment users are asked to exercise good judgment and care to remember that equipment is provided for the express purpose of education.

Students and staff (referred to as “user(s)”) will behave responsibly and ethically in the following ways:
Users will not:

1. Intentionally harm computer resources of the district, either through physical damage, deleting, renaming, or moving software files belonging to others.
2. Share passwords with others.
3. Attempt to determine the password of another.
4. Give personal information over the internet.
5. Use school equipment for monetary profit.

Users will:

1. Follow accepted behavior (etiquette) when using network resources.
2. Follow copyright law.

Users will not use district equipment, networks and access to the internet to communicate access, distribute, retrieve or publish materials that are obscene to minors, libelous, pervasively indecent or contain vulgar language. Users shall not constitute insulting or fighting words, or present a clear and present likelihood that, either because of their content or manner of distribution, will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities or the commission of unlawful acts or the violation of lawful school regulations, as these terms are defined in district policy IGDBA. Students must agree to and sign an Acceptable Use Policy in order to use district computers.

Violation of any district rules, regulations or guidelines will result in the loss of the user’s privilege to utilize the equipment. Users agree to hold Dunklin R-V School District, its school board and staff harmless from any liability.

DANCES

No student with In School Suspensions, Out of School Suspensions, or Bus Suspensions during the current quarter of school will be allowed to attend scheduled middle school dances. A list will be given to the dance sponsor prior to the dance to alert students. Only Senn-Thomas Middle School students are allowed to attend STMS dances.

ARTICLES PROHIBITED IN SCHOOL

Problems arise each year because students bring articles that are hazardous to the safety of others, that may interfere in some way with school procedures or that may become lost or stolen. We strongly encourage students to leave CD players, Ipods, Gameboys, and other electronic devices at home. Skateboards and scooters have no place in the school day and therefore we encourage that they also are left at home. **Students have no need for large amounts of money at school; we suggest students only bring the amount of money needed for lunch and activities of that day.**

DISCIPLINE

One of the most important lessons education should teach to our students is discipline. While it does not appear as a subject, it underlies the whole educational structure. It is the training that develops self-control, character, orderliness and efficiency. It is the key to good conduct and proper consideration for other people.

With an understanding of the purposes of discipline in a school, you may form a correct attitude toward it and not only do your part in making your school an effective place of learning but develop the habit of self-restraint which will make you a better person.

Discipline may take one of four forms. Students may be held in the office for a class period to complete their work for a particular class. Students may be assigned detention for actions that violate the discipline code. Detentions may be served any day before or after school, with before school detentions served from 6:45 to 7:30 and after school detentions from 2:45 to 3:30. Detentions must be served within 7 days of the issuing date. Students who neglect to serve their detention will be placed in in-school suspension. For more serious violations, students may be placed in in-school suspension or out of school suspension. A student receiving out of school suspension is encouraged to remain current with class assignments; however, they will not receive credit during their suspension with the exception of major projects, chapter, quarter and semester tests. A student receiving in school suspension will receive all of their course work and are expected to complete that work for credit. All tests and assessments will be administered in the in school suspension classroom for in school suspension students only. Administration has the right to determine placement of students based on the severity of student infractions.

STUDENT DISCIPLINE HEARINGS

The Board of Education may originate student discipline hearings upon recommendation of the Superintendent. In such cases, the Board of Education will review the superintendent's report and determine whether to conduct a discipline hearing. In addition, student discipline hearings also will be held upon written parental request to consider appeals from student suspensions in excess of ten (10) school days.

In all hearings, whether initiated by the Board of Education or by parent appeal, the following procedures will be followed.

1. Parents/guardians will be advised of the charges against the student; their right to a board hearing; the date, time and place of the hearing; their right to counsel; and their procedural rights to call witnesses, enter exhibits and cross-examine adverse witnesses. All such notifications will be made by certified mail, addressed to the student's parents or guardians.
2. Prior to the Board hearing, the student's parents/guardians will be advised of the identity of the witnesses to be called by the administration and advised of the nature of their testimony. In addition, the student's parents/guardian will be provided with copies of the documents to be introduced at the hearing by the administration.
3. The hearing will be closed unless the student's parents/guardians request an open hearing. At the hearing, the administration or their counsel will present the charges and such testimony and evidence to support such charges. The student, his/her parents/guardians or their counsel shall have the right to present witnesses, introduce exhibits and to cross-examine witnesses called in support of the charges.
4. At the conclusion of the hearing, the Board of Education shall deliberate in executive session and shall render a decision to dismiss the charges; to suspend the student for a specified period of time or to expel the student from the schools of the district. The administration or its counsel, by direction of the Board of Education, shall promptly prepare and transmit to the parents/guardians written Findings of Fact and Conclusions of Law and Decision.

SPECIAL EDUCATION STUDENTS

The discipline policy established by the school will also be enforced with regard to special education students. Exceptions will be made in the discipline policy when it is found to be in the direct conflict with the student's I.E.P. or handicap.

DISTRIBUTION OF STUDENT PUBLICATIONS

Students may distribute, at reasonable times and places, unofficial written material, buttons, badges or other insignia, **except** expressions which are obscene to minors, libelous, indecent or vulgar, advertise any product or service not permitted to minors by law, constitute insulting or fighting words which injure or harass other people (threats of violence, defamation of character or of a person's race, religion or ethnic origin) or material which would result in a material or substantial disruption of the proper and orderly operation and discipline of the school or activities.

Anyone wishing to distribute a student publication of a non-curricular nature must apply 24 hours in advance to the principal and include the following: name and phone number of distributor, dates and times of display or distribution, location of distribution, the age of students to whom the distribution is intended. There is an appeal process for material denied distribution.

Further detailed guidelines regarding student distribution of publications of a non-curricular nature are outlined in the R-V Board of Education Policy Manual and may be reviewed in the library, Principal's Office or Superintendent's Office.

NOTICE OF NON-DISCRIMINATION

It shall be the policy of the district to show equal consideration and impartial treatment to all individuals without consideration of race, color, religion, socio-economic status, sex, marital status or handicapped condition.

SEXUAL HARASSMENT

The Dunklin R-V School District is committed to providing an environment free from sexual harassment. Sexual harassment may be defined as unwelcome sexual comments, request for sex and other verbal or physical conduct of sexual nature. Sexual harassment by an employee, student or to other person in the district against any person is prohibited by school policy and federal law. STUDENTS WHO ARE SUBJECTED TO SEXUAL HARASSMENT ARE TO NOTIFY A TEACHER, COUNSELOR OR ADMINISTRATOR AS SOON AS IT IS PRACTICAL TO DO SO. Every effort will be made to insure confidentiality. The appropriate administrator shall investigate allegations of sexual harassment and/or retaliation for the reporting of alleged incidents, and if substantiated, corrective or disciplinary action will be taken in compliance with Board Policy.

HANDS OFF POLICY

Students are not to push, trip, hit, or handle other students for any reason. The practice of grabbing the apparel of other students and pulling them down is not allowed. This practice will not be tolerated.

GUIDANCE AND COUNSELING

Guidance services are available for every student in the school. These services include assistance with educational planning, interpretation, study help, help with home, school and/or social concerns, or any question that the student would like to discuss with the counselor.

FIRE AND DISASTER DRILLS

Fire and disaster drills are held regularly throughout the year. Remember these basic rules:

1. Check instructions in each classroom (they are posted) indicating how to leave the building in case of a fire.
2. Walk. No talking. Move quickly and quietly to the designated area.

FIRE

Fire drills will be conducted at various intervals throughout the year. **The alarm for a fire drill will be a continuous blast of the bell.** The "all clear" will be 2 long rings (approximately 20 seconds each) of the bells. When the fire alarm is given, students in the back of the room should close all windows.

The last person to exit the room should shut the door. Students will march quietly in single file from the building. They should stay well away from the building. The teacher will follow their class and should take roll when students have reached a safe area. All handicapped wheelchair students will receive specific instructions from their teachers.

Students will use the following exits during an evacuation of the building:

TORNADO DRILL

A tornado can happen at any time of the year. It is vital that students stay under cover at all times during a tornado drill. It is very important that students be as orderly as possible. During the actual tornado drill you will be confined to very close quarters and at times you may be confined to a small area for a long time. **The alarm for a tornado drill will be several short blasts of the bell.** The all clear will be 2 short blasts of the bell. When students have moved to their designated areas, they are to stay clear of windows and sit on the floor with their heads resting on their arms and knees.

Students will move to the following areas during a tornado drill:

Resource Hall and Band Hall

Room numbers G2, G3, G4, A1, A2, A3, & A4 & Fitness room to the resource hall.

Cafeteria

Room numbers G6, G7, G8, G9, A11, A12, A13, A7, A8, A9, A0, and Speech go to the cafeteria.

5th Grade Hall

Room numbers G5, A5, Art and Band.

Gymnasium

All students are to go to the hallway shower room facing the concrete wall.

If you are outside:

Come inside and go to the hallway on the lowest and closest floor.

EARTHQUAKE DRILL

Upon the beginning of the drill or earthquake, students should move away from windows and potential hazards. Students should drop and cover, getting under their desk, table or other shelter against an inside wall. Students need to remain in a drop position and remain silent so that instructions can be heard. After the shock, students will evacuate the building according to the fire alarm directions. Students will assemble in the predetermined areas under faculty supervision.

SEVERE WEATHER PROCEDURES FOR WHEELCHAIR STUDENTS

The likelihood of severe weather (tornado) in most instances will be preceded by conditions that enable a person to suspect a tornado may occur. When conditions of this nature are present, personnel charged with the responsibility of the safety of handicapped students will follow the procedure outlined below:

1. Wheelchair students on the 1st floor – suspicion of severe weather will be sufficient cause to move the student to a place of safety on the 2nd floor (resource hall) in the alcove leading to the boy's restroom. Above all else, the safety of the child is first and foremost.
2. Wheelchair students on the 2nd floor - move to a safe location with other students.
3. The determination of severe weather will be the responsibility of the principal, counselor or designated office personnel with access to the radio/TV broadcast who, in turn, will inform the teacher immediately responsible for a wheelchair handicapped child.

The all clear signal will be a regular bell after a pause.

GETTING ALONG IN SCHOOL

One of the important questions we ask ourselves in middle school is, "How do I get acquainted and make new friends?" Here are a few suggestions we hope you will find helpful.

1. Be friendly - If you want people to like you, you must like them. Talk to people about their interests, and they will ask you about yours.
2. Be considerate - If you do not like to be bossed or pushed around, you can be sure others feel the same way. Consider the other person at all times.
3. Be sociable - Take advantage of the social activities that the school provides. Join clubs that are organized along the lines of your interests. Participate in school affairs and support your school teams. If you are a follower, make sure you select a good leader.

Perhaps the most frequent problem students have at STMS occurs when students tease one another. What starts as innocent or good-natured teasing ends up as bullying and harassment, or worse. A good rule of thumb to follow is if one of those involved isn't enjoying the interaction, it should stop immediately. Part of maturing is learning to get along with others. This is an area where students should practice sensitivity.

HALLS

Students should only be in the halls at the beginning and the close of school and while moving from one class to another unless they have special permission or special duties that require them to be there. **Students in halls must have this Student Handbook, which serves as a hall pass, with them whenever they are in the hallway. The pass must be completed and initialed by the teacher granting hallway permission.** Students are asked to be courteous at all times and to keep to the right when moving in the halls. Running and shouting in the halls is never permitted.

GRADING, REPORT CARDS & THE RECOMMENDED GRADING SCALE

The evaluation of student achievement is one of the important functions of the teacher. Report cards are issued every 9 weeks. Progress reports are issued at mid-quarter. The accepted marking system is as follows:

LETTER GRADE	PERCENTAGE
A	96-100
A	90-95
B+	88-89
B	85-87
B-	80-84
C+	78-79
C	75-77
C-	70-74
D+	68-69
D	65-67
D-	60-64
F	0-59
(PASS/FAIL - in some cases)	

An Incomplete is given only in those cases of illness or emergency or by pre-arrangement or because of unusual time constraints, if the student has not been able to complete his/her assignments. Make-up work is the responsibility of the student.

Your classroom teacher is always available to help you work out personal problems. If a satisfactory solution cannot be found with your teacher, then the student may request a pass to see the counselor. An appointment may then be set for a conference.

HOMEWORK

What students and parents can do:

1. Reinforce classroom learning by encouraging that homework be done.
2. Cooperate with the school in making homework effective.
3. Provide suitable study conditions for concentration, including a quiet place & necessary materials.
4. Help organize study time.
5. Recognize homework as an aid to independence and self-discipline

Any accident that happens at school should be immediately reported to the nurse. Sickness, accidents, etc. occurring at home should be taken care of at home. The nurse is to take care of school-related injuries and health problems.

SCHOOL RECORDS

School records are maintained in the Principal's Office in the middle school. Access to student's records will be made available to appropriate personnel and parents as outlined by the Family Educational Rights and Privacy Act (FERPA). According to FERPA, parents may inspect and review their student's educational records upon written request. This review and appeal process is outlined in the R-V Board of Education Policy.

According to law, the school will provide a transcript of student records to appropriate agencies upon written request by parents or eligible students.

TEXTBOOKS

All basic textbooks are loaned to students for their use during the school year. Textbooks should be handled carefully. Your name and school year should be placed inside the front cover of each book. **Lost or damaged books are the responsibility of the student.**

TRANSPORTATION AND BUS REGULATIONS

Riding the bus is a privilege. Improper conduct may result in that privilege being denied. Students who need to ride a bus other than their regularly assigned bus must have a bus pass signed by the principal or his designee. The student should present a note for approval to the office **before** school requesting the bus pass, stating the reason, bus number, and parent's signature. Parents may be contacted to verify the pass. An example of a bus pass request follows:

July 4, 1779

Martha Washington has my permission to ride bus 76 with Susan B. Anthony on Tuesday afternoon to practice softball.

Mrs. George Washington (123) 456 7890

The importance of proper conduct while waiting for, boarding, riding, or disembarking from a bus cannot be overemphasized. Any misbehavior that distracts the bus driver endangers all. In the interest of safety, all students should understand and parents are urged to impress upon children the necessity for strict compliance with the following rules:

1. All students will have an assigned seat.
2. Students are to remain well out of the roadway while waiting for the bus.
3. Getting on and off the bus should be done in an orderly manner.
4. Students are to remain seated while the bus is in motion.
5. No part of the body should ever be extended outside the bus.
6. Aisles should be kept clear at all times.
7. Conversations should take place in normal tones of voice. A sudden scream or yell is especially dangerous.
8. Nothing should be thrown in or from the bus.
9. Smoking on the bus is strictly forbidden.
10. Crowding, pushing, shoving, etc. are not only unnecessary, but dangerous as well.
11. Attitudes of helpfulness and cooperation will do much to insure safe and comfortable bus transportation for all.
12. Students are dropped off only at their own bus stops. Parents may request their child to be dropped off at another stop through a written note that must be signed by the principal.

A student may be excluded from bus transportation for disciplinary reasons by the school administration and his/her parents shall provide transportation to and from school during the period of exclusion. The telephone number for the bus transportation Office is (636) 479 5200 ext. 3008.

VANDALISM AND PROPERTY DAMAGE

Our school buildings and equipment cost the taxpayers to construct, purchase and maintain. Students who destroy or vandalize school property will be required to pay for losses or damages. If students willfully destroy school property, disciplinary action may be necessary. If a student accidentally damages something, it should be reported immediately to the office.

VISITORS TO SCHOOL

We take the responsibility of offering a safe learning environment for our students seriously. We request that all visitors/guests to the school, for any reason, report to the office for a visitor's pass. Visitors who go into the building (classrooms, etc.) without having checked into the office will be asked to return to the office, or leave.

Parent/Student Rights in Identification, Evaluation, and Placement

The following is a description of the rights granted by federal law to students with disabilities. The intent of the law is to keep you fully informed concerning decisions about your child and to inform you of your rights if you disagree with any of these decisions.

You have the right:

1. Have your child take part in and receive benefits from public education programs without discrimination because of his/her disability.
2. Have the school district advise you of your rights under federal law.
3. Receive notice with respect to identification, evaluation, or placement of your child.
4. Have your child receive a free appropriate public education. This includes the right to be educated with non-handicapped students to the maximum extent appropriate. It also includes the right to have the school district make reasonable accommodations to allow your child an equal opportunity to participate in school and school-related activities.
5. Have your child educated in facilities and receive services comparable to those provided to non-handicapped students.
6. Have your child receive special education and related services if he/she is found to be eligible under the Individuals with Disabilities Education Act (PL 101-476) or Section 504 of the Rehabilitation Act.
7. Have evaluation, educational, and placement decisions made based upon a variety of information sources and by people who know the student, the evaluation data, and placement options.
8. Have transportation provided to and from an alternative placement setting at no greater cost to you than would be incurred if the student were placed in a program operated by the district.
9. Have your child be given an equal opportunity to participate in nonacademic and extracurricular activities offered by the district.
10. Examine all relevant records relating to decisions regarding your child's identification, evaluation, education program, and placement.
11. Obtain copies of educational records at a reasonable cost unless the fee would effectively deny you access to the records.
12. A response from the school district to reasonable request for explanations and interpretations of your child's records.
13. Request amendment of your child's educational records if there is reasonable cause to believe that they are inaccurate, misleading, or otherwise in violation of the privacy rights of your child. If the school district refuses this request for amendment, it shall notify you within a reasonable time and advise you of the right to a hearing.
14. Request mediation or an impartial due process hearing related to educational program or placement. You and the student may take part in the hearing and have an attorney (at your own expense) represent you. Hearing requests must be made to Dunklin R-V School District 504 Coordinator.
15. Ask for payment of reasonable attorney fees if you are successful on your claim.
16. File a grievance.

The person in this district who is responsible for assuring that the district complies with Section 504 can be reached by contacting the Superintendents office at 636-479-5200.

SCREENINGS FOR THE DUNKLIN R-V SCHOOL DISTRICT

Screenings are done on all new students as soon as possible and at counselor, teacher and/or parent request anytime during the school year. Parent notification with referral is made when appropriate.

Dental screening	During kindergarten enrollment, and start of kindergarten year.
Scoliosis Screening	Starting with sixth grade, and ending with eighth grade.
Vision Screening	Kindergarten, first, third, fifth, and seventh
Hearing Screening	Kindergarten, first, second, fourth, sixth, and eighth

BULLYING/PEER ABUSE

Students in the Dunklin R-V Schools are expected to treat each other with the utmost respect at all times. Bullying, either physically or verbally, will NOT be tolerated by the administration. Students who experience a problem with bullying should report the incident to his/her teacher immediately.

BUS CONDUCT AND REGULATIONS:

Safe conduct is expected by students who ride school buses. Several infractions of bus rules may result in a student losing his or her bus privileges.

The importance of proper conduct while waiting for, boarding, riding or disembarking from a bus cannot be overemphasized. Any behavior that distracts the bus driver instantly endangers all. In the interest of safety, all students should understand and parents are urged to impress upon their children the necessity for strict compliance with the following rules:

1. Students are to remain well out of the roadway while waiting for the bus.
2. Getting on and off the bus should be done in an orderly manner.
3. Students are to remain seated while the bus is in motion.
4. No part of the body should ever be extended outside the bus.
5. Aisles should be kept clear at all times.
6. Conversations should take place in a normal tone of voice. A sudden scream or yell is especially dangerous.
7. Nothing should be thrown either in or from the bus.
8. Smoking on the school bus is strictly forbidden.
10. Crowding, pushing, shoving, etc. are not only unnecessary, but dangerous as well.
11. Attitudes of helpfulness and cooperation will do much to insure safe and comfortable bus transportation for all.
12. Students are dropped off only at their own bus stops. Parents can request for their child to be dropped off at another stop by writing a note to the office and the student will be given a bus permit.

NOTE: Attention of students and parents is directed to the State School Law which stated in part that, "A student may be excluded from bus transportation for disciplinary reasons by the administration, and his parents shall provide for his transportation to and from school during the period of such exclusion."

If parents wish, (for emergency reasons only) their child to ride another bus, he/she may do so provided he/she brings a written request from his/her parents and has it countersigned by the principal. If children are to remain after school or go home in any way other than ordinary, they must have a signed note from their parents or other person in authority. Without this signed note, we have no recourse but to send them home in the regular way. Should you have an emergency need during the day to change transportation arrangements, please try to notify the school prior to 2:00 p.m. since time is needed to complete forms and make a personal notification prior to early bus dismissals.

If you have any questions about the buses, please contact the principal of your child's school or the Director of School Transportation. The telephone number of the bus garage is **479-5200**.

CHILD ABUSE

Missouri law requires that school personnel report suspected incidents of child abuse and/or neglect to responsible agencies. Such reports would include cases of suspected physical, emotional or medical abuse or educational neglect.

CUSTODY RIGHTS

When parents separate or divorce, it sometimes results in problems regarding the custody of children. At such times, one parent may ask that a child not be sent home with the other parent. Such request can NOT be honored unless they are supported by the legal documentation. Please provide the building principal with current documents and information regarding all current litigation.

LOST AND FOUND

Students often leave items in the building, on school grounds and at the bus stop. These items are collected and taken to the Lost and Found display in the foyer of the building. Students and parents are encouraged to check this area if an item is lost. All items remaining at the end of the school year will be disposed of. It is most helpful to place your child's name on his or her belongings.

MONEY

Students should not bring large sums of money to school. We are unable to cash checks, so please do not send checks with your child for anything other than the lunch/breakfast program.

DRESS

No formal dress code now exists for the Dunklin R-5 Schools. However, children are expected to be clothed appropriately for school activities, and in a manner that conforms to the general community standards. The courts have recognized certain restrictions on student's apparel to be reasonable when they have affected 1.) the safety of students, 2.) health of students, 3.) rudiments of decency, and 4.) a material and substantial disruption which would interfere with the instructional program. It is felt that good manners, rather than formal dress codes, preclude male students from wearing hats in the school building. We ask that the parents not allow students to come to school with vulgar or provocative writing or pictures on their garments or pictures, symbols and sayings which promote violence. Students should not wear shirts with large cut-out arm holes or those which expose their midriff to school.

FIGHT-FREE

Senn-Thomas is a fight-free school. Students are expected to learn and utilize peaceful solutions to conflicts they may encounter with classmates. Hitting, kicking, punching, biting, scratching, or any other form of physical assault which involves two children reciprocating will result in a loss of privilege.

NEWSLETTER

One method utilized by the staff of Senn-Thomas to keep parents informed of current happenings is the monthly newsletter. The newsletter will always contain items of interest to parents and children as well as a calendar of upcoming events. The newsletter is published during the first week of each month, September through May.

RELIGION

The doctrine of separation between church and state is very well defined by our courts and the Constitution, and we follow these guidelines.

However, it is realized that certain customs which are observed or materials which are used may conflict with the conscience of some religious groups. We encourage you to let us know of these conflicts so we can respect your child's religious heritage by making special arrangements or providing alternative materials/lessons.

TRANSFERS

Parents of children who are leaving the school district should notify the school office a few days in advance if possible. All library books and texts must be returned and charges paid before the records are transferred to another school. The school will complete a transfer form with academic and immunization information provided by the office which you can hand-carry to the new school. All other records will be mailed to the new school upon receipt of a request for records providing all books have been returned and charges paid.

VISITORS

Children are not to bring relatives, friends, etc. to visit during school hours. All visitors, including parents, are to report to the building office as soon as they arrive. Parents that wish to visit their child's classroom are strongly encouraged to make the arrangements in advance.

STUDENT DISCIPLINE CODE

We are all proud of the general tone of good discipline that exists in our school. This comes about through a cooperative effort of school personnel, parents, and students working hard to maintain this pride and in providing an atmosphere where an orderly educational process can take place.

Most students are very serious about their school experiences and want to get the most from them. They have a good attitude toward school and generally would have little difficulty in following school rules. A few students, unfortunately, do not share these principles and attitudes and their behavior can create problems for everyone involved -- students, teachers, administrators and parents.

No student or parent should expect to automatically receive either the minimum or maximum disciplinary action when they are involved in a problem. This will be determined on an individual basis based on a wide range of variables; such as, but not limited to, the age of student, past record of behavior, attitude, the severity of the infraction, and the severity of the problem as it exists in that particular setting. School administrators must exercise professional judgment in these decisions.

It should be noted that these guidelines are in effect throughout the school day, at any school-sponsored event, or on a school bus going to or from school or a school-sponsored event.

Please refer to the Dunklin R-V Discipline Code Handbook for specifics on the behavior program utilized in our building.

STUDENT DISCIPLINE

The Student Code of Conduct is designed to foster student responsibility, respect for others, and to provide for the orderly operation of district schools. No code can be expected to list each and every offense that may result in disciplinary action. However, it is the purpose of this code to list certain offenses which, if committed by a student, will result in the imposition of a certain disciplinary action. Any conduct not included herein, or an aggravated circumstance of any offense or an action involving a combination of offenses may result in disciplinary consequences that extend beyond this code of conduct as determined by the principal, superintendent and/or Board of Education. In extraordinary circumstances where the minimum consequence is judged by the superintendent or designee to be manifestly unfair or not in the interest of the district, the superintendent or designee may reduce the consequences listed in this policy, as allowed by law. This code includes, but is not necessarily limited to, acts of students on school property, including playgrounds, parking lots and school transportation, or at a school activity, whether on or off school property.

Reporting to Law Enforcement

It is the policy of the Dunklin R-5 School District to report all crimes occurring on school grounds to law enforcement, including, but not limited to, the crimes the district is required to report in accordance with law.

The principal shall also notify the appropriate law enforcement agency and superintendent if a student is discovered to possess a controlled substance or weapon in violation of the district's policy.

In addition, the superintendent shall notify the appropriate division of the juvenile or family court upon suspension for more than ten (10) days or expulsion of any student who the district is aware is under the jurisdiction of the court.

Documentation in Student's Discipline Record

The principal, designee or other administrators or school staff will maintain all discipline records as deemed necessary for the orderly operation of the schools.

Prohibition against Being on or near School Property during Suspension

All students who are suspended or expelled are prohibited from being on school property for any reason unless permission is granted by the superintendent or designee.

Any student who is suspended for any offenses listed in § 160.261, RSMo., or any act of violence or drug-related activity defined by policy JGF as a serious violation of school discipline shall not be allowed to be within 1,000 feet of any public school in the district unless one (1) of the following conditions exist:

Dear Parent/Guardian:

A “student handbook” is given to each student on their first day of attendance at Senn-Thomas Middle School. This handbook is designed to keep students organized with their daily schedule and assignments. The “student handbook” is also a great tool for keeping parents informed about the guidelines and expectations for their student as well as their daily assignments.

Please take time to get familiar with the handbook as it is one of the most valuable links of communication between teachers, parents and students. Also included in this handbook is the district handbook which outlines the Dunklin R-5 School’s philosophy and the rules and regulations that the students are expected to follow. Please read this section thoroughly so you are aware of the guidelines of our district.

The cost to replace a student handbook is \$5.00.

Sincerely,

Tom Okruch, Principal

I have read and understand how the “student handbook” at Senn-Thomas Middle School is to be used by my child.
